SPONSORSHIP OPPORTUNITIES & BENEFITS

LUPUS IS A CRUEL AND MYSTERIOUS DISEASE WITH WIDESPREAD IMPACT

LUPUS FOUNDATION OF AMERICA

The Lupus Foundation of America is the only national force devoted to solving the mystery of lupus, while giving caring support to those who suffer from its brutal impact. Through a comprehensive program of research, education, support and advocacy, we lead the fight to improve the quality of life for all people affected by lupus. **We envision a life free of lupus.**

THE IMPACT OF LUPUS

Lupus is an unpredictable and misunderstood autoimmune disease that ravages different parts of the body. It is difficult to diagnose, hard to live with, and a challenge to treat. The symptoms can be severe, and highly unpredictable and can damage any organ or tissue, from the skin or joints to the heart or kidneys. **More of your friends, family, co-workers and neighbors live with or are impacted by lupus than you even realize.**

An estimated **1.5 million** Americans have lupus.

Lupus is among the leading causes of death among **young women**.

There are only **three drugs** developed specifically to treat lupus approved by the US Food and Drug Administration.

The mean annual total costs for people with lupus (combining direct and indirect costs) can be up to **\$50,000**.

WALK TO END LUPUS NOW®: SPONSORSHIP OPPORTUNITES

The Walk to End Lupus Now® (WTELN) is held nationwide by the Lupus Foundation of America (LFA) and its national network to raise money for lupus research, increase awareness of lupus, and rally public support for those who suffer from its brutal impact. Each year, thousands of people across the country join forces with LFA and walk with one unified purpose – to end lupus.

Participating in our local walks around the country allows you to have boots on the ground and meaningful conversations with people in the lupus community. Nothing compares to the experience of an in-person walk event and people with lupus truly appreciate the sponsors who show up and support them.
