

Funraise Registration Walkthrough

Even though Funraise makes registering for events simple, we made a helpful PDF for you to see each step.

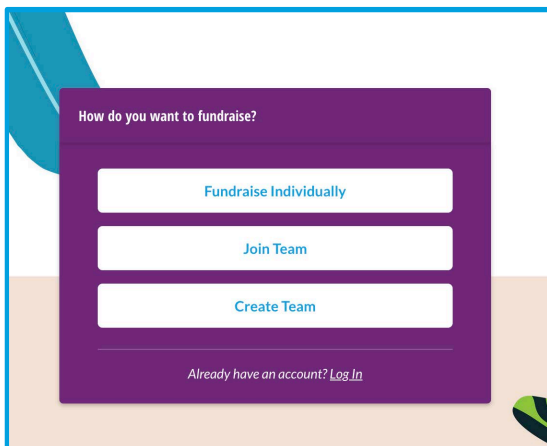

When you're ready to sign up to fundraise, you'll click on the link that says "Start Fundraising" in the event page's top right corner.

The next window asks if you want to fundraise individually, join an existing team, or create a team.

Note: You can choose to fundraise individually and create a team later if you change your mind.

Fill in your name, email, and create a password. Your next step is to go to your email inbox and look for an email to confirm your account. Once that's confirmed, you'll be able to finish your registration and create your fundraising page.

 A screenshot of the "Create a fundraising account" registration form. The form includes fields for "First Name", "Last Name", "Email", "Phone", and "Password". There is a checkbox for "Keep me informed with updates" and a "Next Step: Your Information" button at the bottom.

Time to get your tickets!

Whether your registration selection is a free option, like a walk participant, or requires purchase, you want to click “Purchase Ticket” and continue.

We’ve shown how the windows will look based on what you’ve chosen.

The next screens will be where you tell us about you and submit your registration! This is where you’ll tell us what t-shirt size you’d like as well as (most importantly) how lupus impacts you or someone you know.

This screenshot shows a registration form titled "WALK TO END LUPUS NOW" with the tagline "UNITED TOGETHER. POWERFUL." Below the title is a "Customize ticket 1 of 1" section for "WELN Prairie View A&M Adult Walker". The "Guest Information" section includes a checked checkbox for "This ticket is for me" and a dropdown menu for "How does lupus impact you?". Other dropdown menus include "How did you hear about us?", "What size t-shirt would you like?" (set to "Small"), and "What is your ethnicity?" (set to "Prefernot to answer"). A purple "Continue" button is at the bottom.

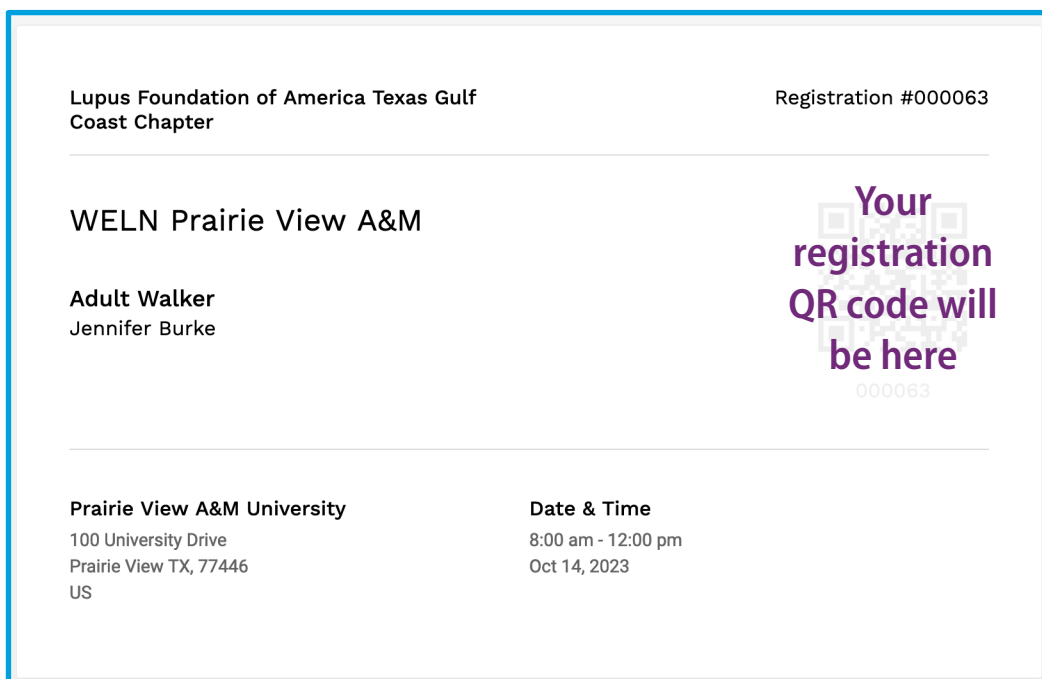

This screenshot shows the "Your Information" form. It includes fields for "Title" (set to "None"), "First Name" (Jennifer), "Last Name" (Burke), "Suffix" (set to "None"), "Email" (jburke@lupustexas.org), "Phone (optional)", "Search Address" (powered by Google), and "Address line 2". A "Manually enter address" link is below the address field. A purple "Submit order" button with a checkmark is at the bottom, along with the "Secured by funraise" logo.

You'll receive an email with the registration details.

*At the bottom of this email is a link that says "View Tickets". When you click that link, you'll see something similar to what's shown below.

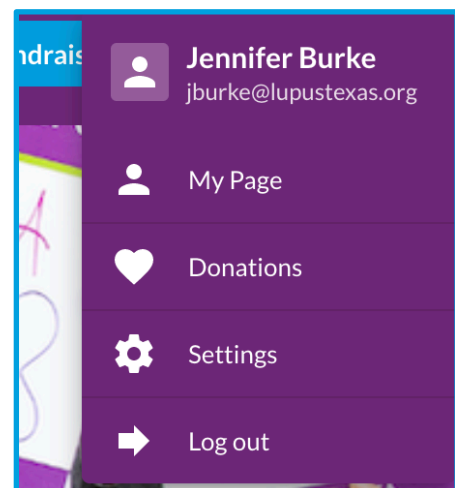

Save this in your mobile device and/or print this out.

The QR code will be used for checking you in on the event day.

Now you can see your name, login email, and account options in the upper right corner of the event site when you're logged in.

From here, you'll be able to see your page and edit things, see who's supported your fundraising efforts, and do things like reset your password if needed.

MAKE YOUR PAGE!

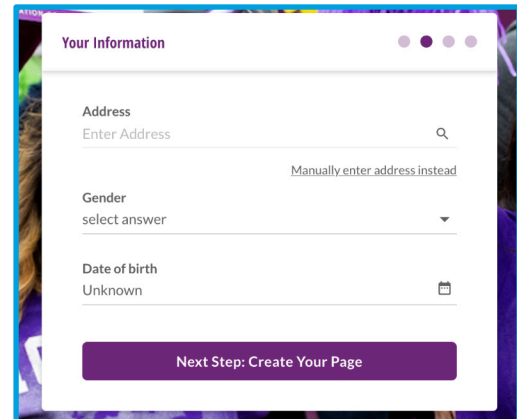

(For walk participants, we do need to know the date of birth in case anyone is a minor.)

We've set up a template for your fundraising page, but get creative! Tell **your** reason for joining us.

Don't forget to include photos, your page title, and the fundraising goal you feel comfortable setting for yourself.

Now you can see your page! Your profile picture will be visible as well as your progress, and you can even change the page background!

Have fun, and if you have any questions, [email us](#) and we'll help out ASAP!

\$ 250

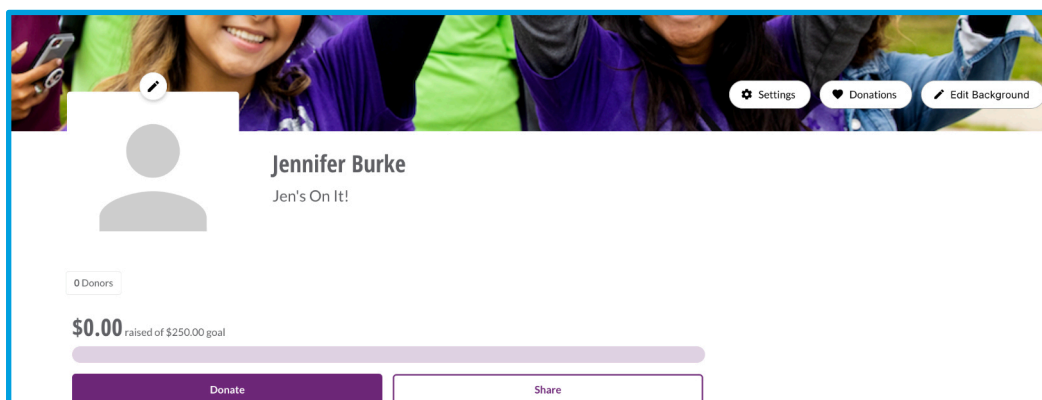

Appeal Story
Thanks for visiting my fundraising page! I am so excited to be raising funds for the Lupus Foundation of America Texas Gulf Coast Chapter. Their mission is to enhance the quality of life for those affected by lupus, and I want to do everything I can to help.

By donating, you will be contributing to improved quality of life for individuals living with lupus. Your donations will also help provide information and resources, ensuring that people with lupus and their families can access answers and knowledgeable health professionals.

My goal is to reach the fundraising target as soon as possible, and with your support, I know we can make it happen. Every little bit counts, and it would mean the world to me if you could make a donation. Together, we can make a difference in the lives of those affected by lupus.

Thank you so much for your support, and I can't wait to
