National Health Education Specialists

Our certified health educators are trained to provide people with lupus, their families, and caregivers with non-medical counseling, disease education, and helpful resources. Our health educators can help you find trustworthy information to answer your questions about lupus and how to cope with it.

To contact a health educator, fill out our online form at Lupus.org/HealthEducator or call us at 1-800-558-0121, ext. 136.
